TRUSTED NAME IN ELEVATOR SOLUTIONS.

PRIME
LIFTS

TRUSTED NAME IN VERTICAL SOLUTION

ISO 9001:2008

WHAT IS PRIME?

Prime Lifts Pvt. Ltd. is a 5-year-old company with a combined experience of 19+ years. Our stakeholders and associates have worked with international brands and adhere to the same safety and quality standards.

With this industry experience, Team Prime Lifts is there to provide you with the best elevator solutions.

CORE VALUES

Quality

Our engineers design and develop products which solve our clients' acute problems and make their lives easier.

Safety

Each lift that Prime Lifts delivers, has safety as a part of its design strategy. We believe that safety is a primary utility and not a value addition.

Customer Satisfaction

Our clients stay with us for longer, because we have a well-trained team which has a client-first attitude. This reflects in our service and cohesive approach while dealing with any problem. With 370+ lifts in our portfolio, we have a 90% retention rate.

WHAT DO WE OFFER?

We offer customized elevator solutions for residential and commercial spaces.

We also offer stack parking and goods elevator solutions.

At Prime Lifts, our aim is to make customization affordable for clients.

Once we take on a project, our team creates a holistic strategy and designs solutions which solve our clients' problems, meet their exact requirement and fulfill their desires.

WHERE CAN OUR LIFTS TAKE YOU?

5+ years of industry expertise and with almost 400 projects delivered, we have a strong network across Maharashtra. Our lifts can reach you easily.

Pune, Baramati, Nagar, Sangli, Pen Shirur - Shikrapur

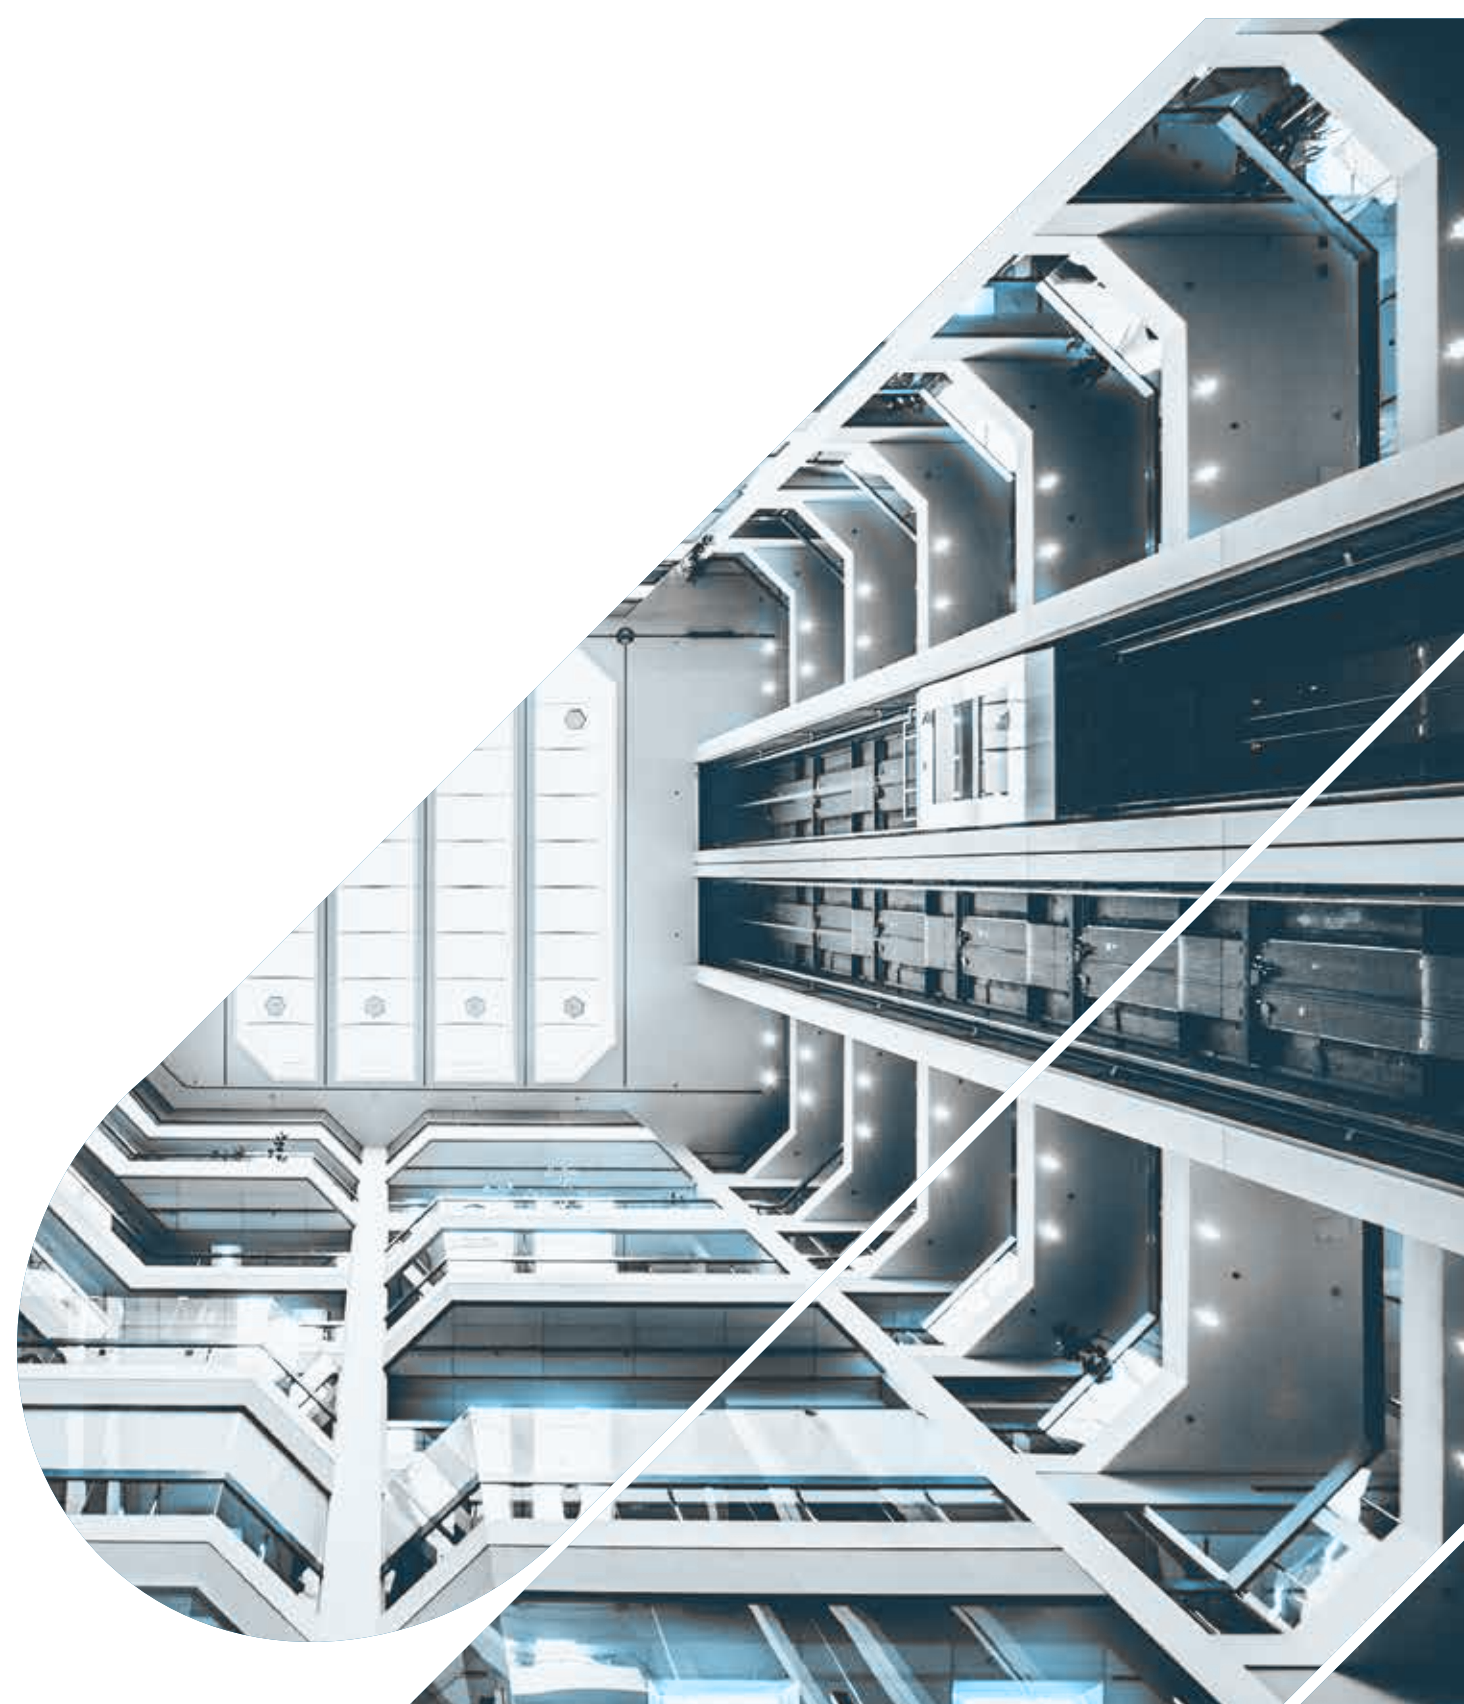

WHY PRIME?

Prime Lifts believes that People are the core of any organization. Our area wise teams, office support and design and production teams work in coordination with the client. Builders, architects and housing societies in 7+ cities, trust Prime Lifts, because of our well trained and self-motivated team of experts.

Prime is a family of 40+ team members, who believe in the values of service and quality, thus guaranteeing 100% customer satisfaction.
